

## Program

Wednesday, 17 September 2025

TUM

8:00 - 9:30	Registration, Get Together
10:00 - 12:00	Opening Ceremony, Technical Program
12:00 - 13:00	Lunch
13:00 - 18:00	Technical Program <sup>*)</sup> Cocktail Hour

Thursday, 18 September 2025

UniBw M

9:00 - 12:00	Technical Program <sup>*)</sup>
12:00 - 13:00	Lunch
13:00 - 18:00	Technical Program <sup>*)</sup> , Closing Ceremony Symposium Banquet

<sup>\*)</sup> special sessions for young engineers  
(born 1990 or later)

Friday, 19 and

Saturday, 20 September 2025

Excursion

Farewell Party for Japanese Delegation

## Organization

### Advisory Committee

**Prof. Dr.-Ing. I. Mangerig**  
Universität der Bundeswehr München, Germany  
**Prof. Dr.-Ing. M. Keuser**  
Universität der Bundeswehr München, Germany  
**President, Prof. Dr. Eng. S. Inoue**  
Osaka Institute of Technology, Japan  
**Prof. Ph.D. K. Sugiura**  
Kyoto University, Japan

### Organizing Committee

**Chairpersons** **Prof. Dr.-Ing. G. Siebert**  
University of the Bundeswehr Munich, Germany  
**Members** **Prof. Dr.-Ing. T. Braml**  
University of the Bundeswehr Munich, Germany  
**Prof. Dr.-Ing. Dipl.-Wirt. Ing. O. Fischer**  
Technische Universität München, Germany  
**Prof. Dr.-Ing. Dipl. Wirt.-Ing. (NDS) M. Mensinger**  
Technische Universität München, Germany  
**Prof. Dr.-Ing. M. Spannaus**  
University of the Bundeswehr Munich, Germany  
**Prof. Dr. Eng. H. Higashiyama**  
Kindai University, Japan  
**Prof. Dr. Eng. M. Matsumura**  
Kumamoto University, Japan  
**Prof. Dr. Eng. O. Ohyama**  
Osaka Institute of Technology, Japan  
**Prof. Ph.D. T. Matsumoto**  
Hokkaido University, Japan  
**Prof. Dr. Eng. T. Yamaguchi**  
Osaka Metropolitan University, Japan  
**Prof. Ph.D. Y. Kitane**  
Kyoto University, Japan  
**Prof. Dr. Eng. Y. Mikata**  
Osaka Institute of Technology, Japan

**Secretary** **Dr.-Ing. E. Hiller**  
University of the Bundeswehr Munich, Germany

14th Japanese German Bridge Symposium Munich 2025

## First Announcement and Call for Papers

**14th Japanese German  
Bridge Symposium  
September 17 - 20, 2025  
Munich, Germany**

supported by

Förderverein  
Konstruktiver Ingenieurbau  
der UniBw München e.V.

organized by

der Bundeswehr  
Universität München

## General Information

This is the first announcement and call for papers for the

### 14th Japanese German Bridge Symposium

to be held **September 17 - 18, 2025**  
in **Munich, Germany**.

The symposium will address all aspects of civil engineering structures and materials. Scientists, engineers, road and rail administrations and others interested in the symposiums technical areas are invited to participate and contribute.

## Technical Program

Papers for the symposium are expected to fall into the broad topic area of bridge engineering, bridge monitoring, bridge maintenance of railway bridges, highway bridges and pedestrian bridges.

## Specific Issues of Interest

- Harmonized European specifications for bridge design and dimensioning
- Structural monitoring
- Fatigue
- Strengthening and refurbishment
- Earthquake
- Sustainability
- BIM and digital twins
- Projects

In addition to the subjects outlined above, all other papers related to the overall topic of the symposium may be submitted for presentation.

## Call for Papers

Authors are invited to submit electronic abstracts (maximum of 300 words) before May 1, 2025. Abstracts must show the full title of the paper, names and affiliations of all authors, and the full mailing address of the corresponding author. Abstracts will be reviewed and corresponding authors notified of paper acceptance in June 2025. After acceptance of an abstract authors can decide about standard or blind full review of full paper.

Please submit electronic abstracts to:

[abstracts@jgbs.de](mailto:abstracts@jgbs.de)

## Time Schedule

May 1, 2025	Deadline for abstracts
June 2025	Notification of authors
July 2025	Registration begins
July 1, 2025	Deadline for manuscript
Sept. 17-18, 2025	Symposium

## Social Activities

Besides the many cultural activities Munich, the capital of Bavaria, is offering the following activities are planned:

- Cocktail Hour
- Symposium Banquet

## Language

The official language of the conference will be English.

## Registration Information

All persons interested in the symposium are requested to register online on the homepage of the *Förderverein Konstruktiver Ingenieurbau der UniBw München e.V.*:

[www.fvki.de](http://www.fvki.de)

Further registration details are provided on the homepage of the symposium:

[www.jgbs.de](http://www.jgbs.de)

The participation fee for Symposium is:

380,- Euro	per participant,
180,- Euro	for participants from universities, authorities, young engineers
30,- Euro	for students and retirees (except Symposium Banquet).

The fee includes:

- Coffee breaks, lunches on conference days, Cocktail Hour and Symposium Banquet
- Printed Book containing the abstracts
- Digital Book containing the full papers
